Courses

GRC 798 Cr.0

Interrupted Registration

This registration is required for students who failed to meet the University's Graduate Research and Terminal Project Completion Policy (did not register for GRC 799 immediately upon completing all degree requirements in an approved program of study except for thesis, comprehensive examination, seminar paper, or other culminating project). In order to comply with the policy, students must register for GRC 798 for zero credits and pay a special course fee equal to the cost of three resident graduate credits. Prerequisite: approval by graduate program director and reentry to former academic program; approved reentry to the university. Offered Fall, Spring, Summer.

GRC 799 Cr.0

Continuous Registration

Once having completed all degree requirements in an approved program of study except for the thesis, seminar paper, comprehensive examination, or other culminating graduate projects, students must maintain continuous term-to-term enrollment (excluding winter intersession). Students meet this requirement by registering for GRC 799 for zero credits and paying a special course fee equal to the cost of one resident graduate credit. 1) Students who require only one term after their regular coursework to complete their thesis or culminating project need to register for only for one (1) term of GRC 799. 2) Students who need more than one (1) term after their regular coursework to complete their thesis or culminating project need to register for two and only two (2) continuous terms of GRC 799. 3) Students, if they fail to register for GRC 799 in either of the two terms immediately following completion of their regular coursework, do not register for GRC 799. Instead they register for GRC 798. Students must register for GRC 799 (Fall, Spring, Summer) immediately following completion of all coursework. Students register for GRC 799 only when they are not registered for any other credits. Repeatable - maximum eight enrollments. Offered Fall, Spring, Summer.
