Dissertation

Students must successfully complete and defend a dissertation. Steps include:

1. Select a dissertation chair and committee.
2. Pass a dissertation proposal oral defense with the selected dissertation committee.
3. Submit a written dissertation to the selected dissertation committee (ideally by the final semester of the third year of full-time enrollment).
4. Not less than one semester after successful defense of the dissertation proposal, present an oral defense of the dissertation to the selected dissertation committee.
5. Submit the dissertation to the Office of Graduate Studies at least two weeks prior to the end of the term in which the student intends to graduate. Complete the necessary review and revision requirements (https://www.uwlax.edu/graduate-studies/current-graduate-students/thesis) as outlined by the Office of Graduate Studies.
6. To graduate in the same semester as their dissertation defense, students must successfully defend their dissertations by mid-November in the Fall or early-April in Spring. Visit the Ed.D. Program’s Dissertation (https://www.uwlax.edu/grad/student-affairs-administration-and-leadership/dissertation) page for exact dates.

Students must maintain continuous term-to-term enrollment (excluding winter intercession) if all degree requirements have been completed except for the dissertation. Students meet this requirement by registering for GRC 799 for zero credits and paying a special course fee equal to the cost of one resident graduate credit. After two enrollments in GRC 799, students still actively engaged in research or writing and who need to maintain access to university resources must register for GRC 795 and pay a special course fee equal to 50% of the cost of one resident graduate credit. Further details of this Graduate Terminal Project Completion Policy (http://catalog.uwlax.edu/graduate/academicpolicies/registrationschedules/#continuous-registration) can be viewed in the graduate catalog.

Degree requirements

Graduate degree requirements

After being admitted to the program of one’s choice, candidates for a graduate degree must:

1. Complete any preliminary course work and deficiencies.
2. Complete all courses and other program requirements, including residence requirements prescribed for the degree desired in the respective school or college within a seven-year period from the date of initial enrollment.
3. Earn a minimum of 30 credits for a master’s degree; 54 credits for a doctorate or post-master’s degree. Earn at least one-half of the minimum number of credits required in the program in graduate-only level courses (700, 800, 900, and non-slash 600 level courses).
4. Earn a cumulative grade point average of at least 3.00.
5. Satisfy dissertation, thesis, seminar paper, terminal/graduate projects and internships, or comprehensive examination, where applicable. A dissertation or thesis approved by the committee must be submitted to the Director of Graduate Studies for approval at least two weeks before commencement. Ordinarily, a seminar paper or project report does not have to be approved by the Director of Graduate Studies. However, if the seminar paper or project report is to be archived in Murphy Library, the student must follow the same rules as they apply to the dissertation/thesis requiring approval from the Director of Graduate Studies. For further research/dissertation/thesis guidelines (https://www.uwlax.edu/globalassets/academics/grad-studies/thesis-guidelines.pdf), see the Office of Graduate Studies.
6. File a completed “Intent to Graduate” form online via the WINGS Student Center immediately following registration for the final semester or summer term in residence. December graduates and winter intersession should file by May 1. May and summer graduates should file by December 1.
7. Pay the graduation fee and remove all other indebtedness to the university. Payment of graduation fees does not imply readiness for graduation and does not take the place of applying for graduation.
8. Complete all requirements within 30 days after the official ending date of a term in order for a degree to be awarded for that term. (See #5 above for separate deadline for written capstone experience.)
