

Teaching English to Speakers of Other Languages (TESOL) Certificate

The graduate Teaching English to Speakers of Other Languages (TESOL) Certificate Program is designed to prepare currently-licensed teachers to effectively, purposefully, and passionately teach English learners (EL). Teachers who complete this certificate program will be endorsed for a Wisconsin ESL license. They will also be well-qualified to teach English learners in a way that is knowledgeable and respectful of language and cultural difference, which seeks to add to rather than replace cultural and linguistic knowledge, and which ensures the learning of language and content for each EL they encounter.

This program starts when 14 or more applicants are admitted to a cohort. The program starts are offered in spring, summer and fall terms.
