

Reading: Reading Teacher Emphasis - Master of Science in Education

This multifaceted, online program is designed to meet the needs of educators who are interested in (a) ongoing professional development in reading education and (b) certification in the State of Wisconsin as a Reading Teacher (1316 license).

Master of Science in Education in Reading Program

The **online** UW#La Crosse Master of Science in Education in Reading Program is dedicated first and foremost to preparing graduate students who serve communities, families, students, schools and fellow educators as leaders in literacy education.

Through preparation and experiences in developmental and exceptional literacy instruction and assessment, students in the Master of Science in Education in Reading Program develop their knowledge, skills, and dispositions as classroom teachers of reading, as Title I or other Reading teachers, or as Reading Specialists or consultants/coaches for schools and/or districts.

Graduates of the Reading Program at UW-#La Crosse are prepared:

1. To model current and authentic best practice in K#12 literacy education;
2. To seek and identify current research-based strategies and resources;
3. To provide services and support in literacy assessment, diagnosis, and evaluation;
4. To remain accountable to constituent groups;
5. And to advocate for students, families, and colleagues.

The Reading Teacher and Reading Specialist programs are aligned to the 2017 Standards for Reading Professionals of the International Literacy Association (ILA) and to WI Teaching Standards (for the Reading Teacher programs) or to WI Administrator Standards (PI 34.003, for the Reading Specialist programs). The ILA standards focus on the knowledge, skills, and dispositions necessary for effective educational practice and highlight contemporary research and evidence-based practices in curriculum, instruction, assessment, and leadership. These recently updated standards address the need for a broader definition of literacy beyond reading to include writing, speaking, listening, viewing, and visually representing in both print and digital realms. Likewise, the UWL Reading Teacher and Reading Specialist curricula are based on current research and best practice in the fields of literacy and reading. The program is delivered in an online format, and is dedicated first and foremost to preparing educators who serve communities, families, students, schools and fellow educators as leaders in literacy education.

The program is available to start in the spring and summer terms, when there are 14 or more students in a cohort.

University requirements

University graduate degree requirements

After being admitted to the program of one's choice, candidates for a graduate degree must:

1. Complete any preliminary course work and deficiencies.
2. Complete all courses and other program requirements, including residence requirements prescribed for the degree desired in the respective school or college within a seven-year period from the date of initial enrollment, with the exception of students enrolled in the Student Affairs Administration and Leadership Ed.D. (SAA Ed.D.) graduate program. SAA Ed.D. students must complete all degree requirements within ten years from the time of initial enrollment in the graduate program.
3. Earn a minimum of 30 credits for a master's degree; 54 credits for a doctorate or post-master's degree. Earn at least one-half of the minimum number of credits required in the program in graduate-only level courses (700, 800, 900, and non-slash 600 level courses). Some UWL graduate programs require more than 30 graduate credits. Please review the individual program requirements (<http://catalog.uwlax.edu/graduate/programrequirements/>) listed in the catalog for the exact number of credits required.
4. Earn a cumulative grade point average of at least 3.00.
5. Satisfy dissertation, thesis, seminar paper, terminal/graduate projects and internships, or comprehensive examination, where applicable. A dissertation or thesis approved by the committee must be submitted to Graduate & Extended Learning for editorial review and approval by the Dean of Graduate & Extended Learning. The recommended initial submission date for review is two weeks before commencement. Ordinarily, a seminar paper or project report does not have to be approved by the Dean of Graduate & Extended Learning. However, if the seminar paper or project report is to be archived in Murphy Library, the student must follow the same rules as they apply to the dissertation/thesis requiring approval from the Dean of Graduate & Extended Learning. For further research/dissertation/thesis guidelines (<https://www.uwlax.edu/gel/graduate-education/thesis-and-dissertation/>), see Graduate & Extended Learning.
6. File a completed "Intent to Graduate" form online via the WINGS Student Center immediately following registration for the final semester or summer term in residence. December graduates and winter intersession should file by May 1. May and summer graduates should file by December 1.
7. Pay the graduation fee and remove all other indebtedness to the university. Payment of graduation fees does not imply readiness for graduation and does not take the place of applying for graduation.
8. Complete all requirements within 30 days after the official ending date of a term in order for a degree to be awarded for that term. (See #5 above for separate deadline for written capstone experience.)
