Occupational therapists work with people of all ages facing physical, emotional, or mental challenges. Students who choose a career in occupational therapy will be instrumental in helping people participate fully in the daily occupations of their lives.

The Master of Science in Occupational Therapy Program (MS in OT) prepares competent entry level occupational therapist leaders who are committed to providing excellent occupation centered client-centered evidence-based occupational therapy.

Accreditation

The occupational therapy program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA).
