Program requirements

Admission
Admission to graduate study does not constitute admission to the Student Affairs Administration in Higher Education Master of Science in Education Program. Priority application deadline is February 1 each year. The application process for the SAA M.S.Ed. Program consists of three parts:

1. The UW System online application (https://apply.wisconsin.edu) along with official transcripts sent to UWL admissions office from all institutions of higher education previously attended.
2. The SAA application, which includes:
   a. Resume
   b. Essay (see program website (https://www.uwlax.edu/grad/student-affairs-administration/admissions) for specific instructions)
   c. SAA Applicant Waiver Form
   d. Reference forms submitted by two references
3. Finalists may be invited to participate in an interview for the academic program. Interviews with SAA faculty may take place on campus, by phone, or via virtual meeting options.

Enrollment in SAA courses is restricted to graduate students in the SAA Program, unless given special permission by the department chair.

Students in the SAA M.S.Ed. Program are expected to complete supervised field experience throughout the program. On-campus (at UWL) and blended program students (at UW-River Falls) generally meet this requirement by being selected for a relevant graduate assistantship or internship. Online program students meet this requirement through a graduate assistantship or internship in a student or academic affairs setting.

Field experience
Field experience
In addition to completing required coursework, students are required to engage in ongoing supervised practice. Most students will meet this requirement through a graduate assistantship or internship in a student or academic affairs setting. These positions are generally 20 hours per week, for two academic years. Some students will meet this requirement by working at full- or half-time in the field of student affairs in higher education. Additional information is available on the program website: www.uwlax.edu/saa.

Degree requirements

Graduate degree requirements
After being admitted to the program of one's choice, candidates for a graduate degree must:

1. Complete any preliminary course work and deficiencies.
2. Complete all courses and other program requirements, including residence requirements prescribed for the degree desired in the respective school or college within a seven-year period from the date of initial enrollment.
3. Earn a minimum of 30 credits for a master's degree; 54 credits for a doctorate or post-master's degree. Earn at least one-half of the minimum number of credits required in the program in graduate-only level courses (700, 800, 900, and non-slash 600 level courses).
4. Earn a cumulative grade point average of at least 3.00.
5. Satisfy dissertation, thesis, seminar paper, terminal/graduate projects and internships, or comprehensive examination, where applicable. A dissertation or thesis approved by the committee must be submitted to the Director of Graduate Studies for approval at least two weeks before commencement. Ordinarily, a seminar paper or project report does not have to be approved by the Director of Graduate Studies. However, if the seminar paper or project report is to be archived in Murphy Library, the student must follow the same rules as they apply to the dissertation/thesis requiring approval from the Director of Graduate Studies. For further research/dissertation/thesis guidelines (https://www.uwlax.edu/graduate-studies), see the Office of Graduate Studies.
