

Admissions Policies: Second Degree Students

A student who holds a bachelor's degree may be admitted to the university to earn a second bachelor's degree. Students must complete the Universities of Wisconsin application (<https://apply.wisconsin.edu/>) and have one official transcript sent from each university attended. Students will need to consult with the dean's office for the college to which they are assigned (see letter of admission) to determine which courses are needed to earn a second undergraduate degree. Details covering the requirements for a second bachelor's degree may be found in the degree requirements (<http://catalog.uwlax.edu/undergraduate/degree/requirements/#second-degree>) section of the catalog.
