Early Childhood through Adolescence (EC-A) (ages birth-21) Program

The primary purpose of the Early Childhood-Adolescence (EC-A) Program is to advance teaching and learning while preparing teacher leaders for a global society. Our teacher preparation program, in collaboration with our public school partners, contributes to the teaching profession by producing teachers who believe that all students have the ability to achieve high standards, who adapt their teaching to reach all students, and who respect the diversity of all students. We prepare teacher candidates to become teachers who ground curriculum in the lives of students; who embrace multicultural perspectives and uphold just teaching practices; value academically rigorous curriculum; and are culturally sensitive. Our graduates are reflective practitioners who continuously improve their abilities and are responsive to best practices.

Certifiable majors include: art (http://catalog.uwlax.edu/undergraduate/art/art-education-bs), French (http://catalog.uwlax.edu/undergraduate/globalcultureslanguages/french-education), German studies (http://catalog.uwlax.edu/undergraduate/globalcultureslanguages/german-education), music (general (http://catalog.uwlax.edu/undergraduate/music/general-education-emphasis-bs), choral (http://catalog.uwlax.edu/undergraduate/music/choral-education-emphasis-bs), or instrumental (http://catalog.uwlax.edu/undergraduate/music/instrumental-education-emphasis-bs), Spanish (http://catalog.uwlax.edu/undergraduate/globalcultureslanguages/spanish-education). 1

1 Minors in French, German studies, and Spanish are certifiable at the early childhood-adolescence developmental range only, unless another language is completed as a major. If a language major and language minor are completed, both languages may be certifiable at the early childhood-adolescence range.

### Degree requirements

All teacher education students must complete the general education, School of Education, major/minor, and university degree requirements.
in order to qualify for a degree. The easiest way to track all of these
requirements is to refer to the Advisement Report (AR) found in the
Student Information System (WINGS) Student Center. All enrolled
students have access to the AR.

• General education (http://catalog.uwlax.edu/undergraduate/
generaleducation)
• School of Education requirements (http://catalog.uwlax.edu/
undergraduate/education)
• Baccalaureate degree requirements (p. 2)

Baccalaureate degree requirements
Candidates for the Bachelor of Arts or the Bachelor of Science degrees
must accomplish the following:

1. Fulfill the general education requirements.
2. Complete at least one ethnic studies (diversity) course.
3. Complete the courses prescribed by the Undergraduate Curriculum
Committee for the degree desired in the respective school or
college. (No substitutions for graduation may be made in course
requirements for a major or minor after the fourth week of the last
semester of the senior year.)
4. Earn a minimum of 120 semester credits with at least a 2.00
   cumulative GPA.\(^1\)
5. At least 40 credits must be earned in 300/400 level courses. Transfer
courses earned at the 300/400 level apply to this requirement.
   Courses earned at the 100/200 level that transferred to UWL as
   300/400 level courses \textbf{do not} apply to this requirement.
6. Complete major and minor requirements with at least a 2.00 GPA\(^1\) in
each major and minor (and concentration or emphasis, if selected).

   registered for his or her final semester or summer term in residence.
   December and winter intersession graduates should apply by May 1.
   May and summer graduates should apply by December 1.

\(^1\) Grade point average requirements for some programs will be
considerably higher than 2.00. Re-entering students may be required
to earn credits in excess of the 120 needed for graduation in any
curriculum in order to replace credits earned in courses in which the
content has changed substantially in recent years. Each case will be
judged on its own merit.

\textbf{No degree will be awarded unless all requirements are fulfilled and
recorded within 30 days after the official ending date of each term.}
