Total Credits

for-students/placement-exams/#tm-spanish) website or more information.

Students who begin their Spanish major by placing into a SPA course at the 300-level will complete the certificate with 15 credits instead of 16.

Students must complete nine credits of courses numbered between 300-350 before enrolling in SPA 370.

Students who place into SPA 202/SPA 221 should take SPA 221 as the first course of the certificate.

⁴ Credits do not count toward certificate. Students may earn retroactive credit for these courses. See the Global Cultures and Languages Department's placement exams and retroactive credit (https://www.uwlax.edu/global-cultures-and-languages/resources-
