Nutrition Program (NUT)

College of Science and Health
Program Coordinator: Lisa Kobs
0021 Health Science Center, 608.785.6457
email: lkobs@uwlax.edu

The nutrition minor serves a variety of College of Science and Health students, including those in pre-allied health, pre-medicine, exercise and sport science, and health education. Non-CSH majors in psychology, sociology, and business also may be interested in the nutrition minor.

The nutrition minor at UWL includes 18 credits of nutrition-related course work meant for students who may enter professions where an understanding of food and nutrition will be helpful and make them more competitive for employment or graduate school. For more information contact Lisa Kobs (lkobs@uwlax.edu), Kris Greany (kgreany@uwlax.edu) or Peg Maher (mmaher@uwlax.edu). The nutrition faculty offices are located in the basement of the Health Science Center, suite 0016. Stop by and get some food for thought!

The minor does not provide enough nutrition coursework or the supervised practice (1200 hours) required to be eligible for the registered dietitian (RD) credential. For more information about accredited dietetics programs leading to the RD credential, please visit: www.eatright.org (http://www.eatright.org).
