

Elementary/Middle Education (K-9) and French Education (K-12) Major - Bachelor of Science (BS)

Teachers have a positive and profound impact on future generations unlike any other profession. The **Elementary/Middle Education and French Education (EME/FRE) Program** prepares educators and future leaders of our global society to teach the core subjects (literacy, math, science, and social studies) to kindergarten through grade 9 learners and French to kindergarten through grade 12 learners. Future teachers, including those who are interested in teaching at an immersion or bilingual school, will learn to reach all students with relevant curriculum, utilizing strategies that are developmentally appropriate for each age, and follow the theories of second language acquisition. We collaborate with public school partners to provide multiple practical experiences in classrooms where our teacher candidates learn to differentiate teaching approaches with the end goal of honoring the individuality of all students. Graduates of this program are confident, reflective practitioners who value academically rigorous teaching for all and who continuously improve their abilities in response to best practices.

The EME/FRE program requires a French minor, an immersion experience, and a minimum language proficiency level. Teacher candidates may earn retroactive credits (<http://catalog.uwlax.edu/undergraduate/globalcultureslanguages/>) in French by placing into 200 or 300-level French courses.

Major requirements

Completion of the Elementary/Middle Education and French Education Program and associated benchmark assessments (<http://catalog.uwlax.edu/undergraduate/education/#SOE-program-requirements>) will lead to endorsement for the following Wisconsin teaching licenses:

- Elementary and Middle School, grades K-9 (2088) and
- French, grades K-12 (1355).

Students in all teacher education programs must satisfy the School of Education (SOE) core requirements (<http://catalog.uwlax.edu/undergraduate/education/#SOE-core>).

Students in all teacher education programs must be admitted to the School of Education (<https://www.uwlax.edu/soe/undergrad/admission-to-soe/>) in order to complete their program requirements and be eligible for endorsement for the appropriate teaching license(s). Students majoring in elementary/middle education (grades K-9) and French education (grades K-12) must meet specific program admission criteria (<http://catalog.uwlax.edu/undergraduate/education/#DES>).

Retention and advancement

Teacher candidates may be retained in their teacher education program provided they fulfill the conditions described in the SOE Retention Policy (<http://catalog.uwlax.edu/undergraduate/education/#retention>). Students must complete all course requirements and other benchmarks prior to student teaching as described in the Student Teaching and

Internship Policy (<http://catalog.uwlax.edu/undergraduate/education/#student-teaching>). Additional SOE program requirements, including the culminating assessment of pedagogical knowledge, are described on the SOE catalog page (<http://catalog.uwlax.edu/undergraduate/education/>).

All courses required in the Elementary/Middle Education and French Education Program with EDS, SPE, and TSL prefixes must be passed with a minimum grade of "C" or better.

Beginning language proficiency

All students with French language on their transcripts and/or prior experience in French must take the Universities of Wisconsin Placement exam and are required to enroll at their level of placement. Students with no evidence of prior study of French are required to begin French at FRE 101.

Curriculum

The Elementary/Middle Education and French Education Program is aligned with Wisconsin Teacher Standards (WTS), Wisconsin DPI World Language Standards, and national CAEP (elementary) and AMLE (middle-level) Standards.

Minor requirement

Elementary/middle education and French education majors must also complete a French minor (<http://catalog.uwlax.edu/undergraduate/globalcultureslanguages/french-minor/>) (21 credits) in order to be endorsed for a French, grades K-12 (1355) teaching license.

Required general education courses (28 credits)

Elementary/middle education and French education majors must satisfy additional general education requirements (<http://catalog.uwlax.edu/undergraduate/generaleducation/#generaleducationrequirementsstext>). The General Education Program requires a total of 42 credits.

⁹ Also satisfies an SOE core requirement.

¹⁰ Credits taken to satisfy another requirement in this major cannot be used to meet French minor requirements.

¹¹ Field experience will be blended between regular education (elementary or middle) and French education.

¹² Includes experience with high school (grades 9-12) lesson planning and observations.

¹³ Must complete all course requirements and other benchmarks prior to student teaching. For more information, please see the Student Teaching and Internship Policy (<http://catalog.uwlax.edu/undergraduate/education/#student-teaching>).

Study abroad requirement

- All students should consult with their advisor in French regarding specific requirements for study abroad;
- All French education majors are required to complete an approved foreign language immersion experience of at least 14 weeks (one semester);
- French education majors are required to complete the 300-level core of courses before studying abroad;

- Up to 15 credits of the 400-level and the electives categories may be taken abroad with faculty approval.

Language proficiency for student teaching requirements

Prior to student teaching, teacher candidates are required to

- Demonstrate proficiency with an "Intermediate High" rating on the American Council Teaching of Foreign Languages Oral Proficiency test (ACTFL-OPIC) and
- Demonstrate proficiency with an "Intermediate High" rating on the American Council Teaching of Foreign Languages Written Proficiency test in French (ACTFL-WPT internet).

Additional teacher education requirements are listed on the School of Education (<http://catalog.uwlax.edu/undergraduate/education/>) catalog page.

Degree requirements

All teacher education students must complete the general education, School of Education, major/minor, and university degree requirements in order to qualify for a degree. The easiest way to track all of these requirements is to refer to the Advisement Report (AR) found in the Student Information System (WINGS) Student Center. All enrolled students have access to the AR.

- General education (<http://catalog.uwlax.edu/undergraduate/generaleducation/>)
- School of Education requirements (<http://catalog.uwlax.edu/undergraduate/education/>)
- Baccalaureate degree requirements (p. 3)

Baccalaureate degree requirements

Candidates for the Bachelor of Arts or the Bachelor of Science degrees must accomplish the following:

- Fulfill the general education requirements.
- Complete at least one ethnic studies (diversity) course.
- Complete the courses prescribed by the Undergraduate Curriculum Committee for the degree desired in the respective school or college.
- Earn a minimum of 120 semester credits with at least a 2.00 cumulative GPA.^{1,2}
- At least 40 credits must be earned in 300/400 level courses. Transfer courses earned or transferred at the 300/400 level apply to this requirement.
- Complete major and minor requirements with at least a 2.00 GPA^{1,2} in each major and minor (and concentration or emphasis, if selected).
- A minimum of 30 semester credits in residence at UWL is required for graduation. (See undergraduate resident requirement (<http://catalog.uwlax.edu/undergraduate/academicpolicies/graduation/#undergraduate-residence-requirement>)).
- Submit an application for graduation via the "Apply for Graduation" link in the WINGS Student Center as soon as the student has registered for his or her final semester or summer term in residence. December and winter intersession graduates should apply by May 1. May and summer graduates should apply by December 1.

¹ Grade point average requirements for some programs will be considerably higher than 2.00. Re-entering students may be required to earn credits in excess of the 120 needed for graduation in any

curriculum in order to replace credits earned in courses in which the content has changed substantially in recent years. Each case will be judged on its own merit.

² The grade point average recorded at the time the degree is awarded will not be affected by future enrollment.

No degree will be awarded unless all requirements are fulfilled and recorded within 30 days after the official ending date of each term.

Sample degree plan

Below is a sample degree plan that can be used as a guide to identify courses required to fulfill the major and other requirements needed for degree completion. A student's actual degree plan may differ depending on the course of study selected (second major, minor, etc.). Also, this sample plan assumes readiness for each course and/or major plan, and some courses may not be offered every term. Review the course descriptions or the class timetable (<http://www.uwlax.edu/records/registration/>) for course offering information.

The sample degree plans represented in this catalog are intended for first-year students entering UWL in the fall term. Students should use the Advisement Report (AR) in WINGS (<https://wings.uwlax.edu>) and work closely with their faculty advisor(s) and college dean's office to ensure declaration and completion of all requirements in a timely manner.

General Education Program

The general education curriculum (Gen Ed) is the common educational experience for all undergraduates at UWL. Sample degree plans include Gen Ed placeholders to ensure completion of the general education requirements. Courses may be rearranged to fit the needs or recommendations of the student's program of study. Gen Ed courses may be taken during winter term (January between the semesters) and summer to reduce the course load during regular terms (fall and spring). Students should consult with their advisor and/or the college academic services director in their college/school for assistance with course and schedule planning. Refer to the general education requirements (<http://catalog.uwlax.edu/undergraduate/generaleducation/>) for more specific details.

At least 40 credits of the 120 credits required must be earned at the 300/400-level.

Note: New students and transfer students with less than 12 credits earned are required to take FYS 100 First-Year Seminar (3 cr.) during one of their first two semesters at UWL.

This sample degree plan does not establish a contractual agreement. It identifies the minimum requirements a student must successfully complete, to qualify for a degree, in a format intended to assist the student in planning their academic career. Actual degree plans may differ.

- Depending on placement, additional courses may be required to meet the prerequisite for enrollment in FRE 300.
- BIO 100 Biology for the Informed Citizen (4 cr.) is recommended.
- See the SOE admissions website (<https://www.uwlax.edu/soe/undergrad/admission-to-soe/>) for complete admission and application details. Students will be required to complete a criminal background check (<http://catalog.uwlax.edu/undergraduate/education/#criminal-background-check>) at the time of application for admission.
- PHY 106 Physical Science for Educators (4 cr.) is recommended.
- HED 207 Youth Health Issues (3 cr.) is recommended.
- Students applying for field and student teaching placements will be asked to disclose any criminal charges (<http://catalog.uwlax.edu/undergraduate/education/#disclosure-past-offenses>).
- The summer Direct Enroll Program (at the Université de Caen Normandie) only allows students to transfer 6 FRE credits as it runs only for 5 weeks. To earn the 9 credits, students will have to choose a different study abroad program that is longer.
- Students must apply for student teaching (<https://www.uwlax.edu/soe/field-and-student-teaching-experience/for-teacher-candidates/>) through the Office of Field Experience one year prior to the student teaching semester.
- For more information, please see the Student Teaching and Internship Policy (<http://catalog.uwlax.edu/undergraduate/education/#student-teaching>).
